

CAMERON TETREAULT

SUPERINTENDENT

EXECUTIVE SUMMARY

As Superintendent, Cameron supports the Project Team through on-site management and coordination. He monitors fieldwork to ensure compliance with safety regulations, company standards, procedures, specifications, and codes. Cameron plays a key role in keeping the project on schedule by working closely with subcontractors and ensuring tasks are completed as planned. He also assists with project communication and reporting by attending meetings, distributing information, and staying in regular contact with the Project Manager. Cam's experience spans a wide range of spaces—from locker rooms to operator rooms. He has been involved in numerous projects, including extensive work for Steward Medical Group and other healthcare clients.

SUMMARY OF QUALIFICATIONS

Cameron joined New England Construction in 2023 and brings more than 10 years of experience to the team.

EDUCATION & TRAINING

Served in the Army for 6 years, and deployed to Iraq in support of Operation Iraqi Freedom in 2009 for 15 months.
